

# Schoharie County Animal Response Team

## PET FRIENDLY LODGING

1. The majority hotels, motels, and resorts do **not** allow guests to have pets of any sort in their rooms.
2. A pet-friendly hotel is a hotel that does allow guests to have a dog, cat, or other small animal in their rooms.
3. Some pet-friendly hotels do not charge extra for pets. But many charge either a **per stay** or **per night** pet fee. These fees are usually non-refundable.

A **deposit**, on the other hand, will usually be refunded if your pet does no damage.

4. Some hotels are dog-friendly only. Cats are not allowed.
5. Most hotels will expel dogs that bark and disturb other guests.
6. Many hotels restrict pets to smoking rooms or to a limited number of "pet rooms."
7. All hotels should allow service animals. According to the U.S. Department of Justice, which regulates the Americans with Disabilities Act, "People with disabilities who use service animals cannot be charged extra fees, isolated from other patrons, or treated less favorably than other patrons."
8. Schoharie County CART cannot guarantee the accuracy of the pet related information in this guide, as some hotels change their pet policies and fees often. Call the facility and to confirm pets are allowed and their policy has not changed.
